

Question 5) Discuss the stance that the Catholic church is the one true church established by Christ and that it's continuance in authority is a result of Roman papal authority. Consider this in light of Luke 24:49; Acts 1:8; Revelation 2:5.

Question 6) Discuss how the following explanation motivates or demotivates the evangelizing of the world (cf. Mark 16:15-16):  
“They who remain outside the Catholic Church through no grave fault of their own and do not know it is the true Church, can be saved by making use of the graces which God gives them.”

# INTRO TO CATHOLICISM (PART II)

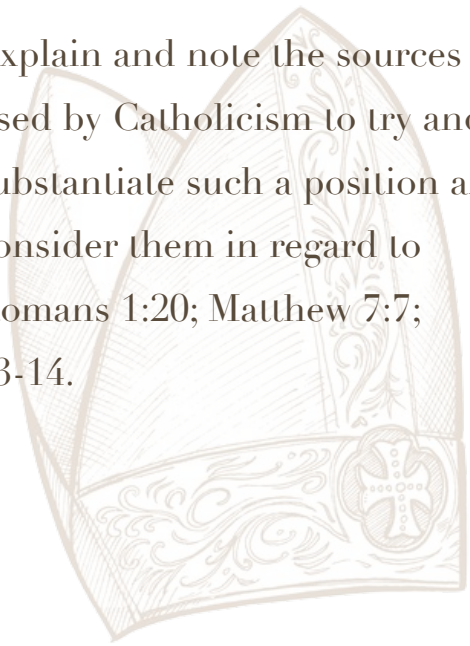

Question 1) What is the Magisterium?

Question 2) According to Catholic tradition, is the pope infallible and if so, when?

Question 3) Based upon Catholic instruction, can the lost, as defined by Catholic doctrine, actually not be lost at all, but saved?

Explain and note the sources used by Catholicism to try and substantiate such a position and consider them in regard to Romans 1:20; Matthew 7:7; 13-14.

Question 4) Discuss the “marks of the church” according to Catholicism. Consider these marks comparing them with scripture, giving special attention to how Catholics define the church as “Apostolic” compared to what John states in 1 John 1:1-7.
